

Jason Roth – Vice President Remediation

Areas of Expertise

- Helping rebuild trust and goodwill within the organization
- Mitigating the intense feelings of betrayal, grief, anger, and loss that the dentist has as a result of being defrauded.
- Assisting the dentist to better able “read” his/her staff and thus avoid becoming a repeat victim

Current Position

Jason is Vice President of Remediation with **prosperident**, a Halifax- based management consulting firm with clients from across Canada and the US. prosperident provides assistance in tax planning, practice transition, and dental economics, and specializes in fraud prevention and detection for dentists and dental practices.

Experience

Jason brings over 36 years of clinical experience to **prosperident**. He has maintained a private psychology practice. In both his clinical setting and in his consultative capacity, Jason has worked with dentists throughout his career. He has given workshops and consulted with dentists on topics as diverse as

- Recovering In the Aftermath of Fraud
- Avoiding Burnout and Actually Enjoying Your Career
- Enhancing Communication and Conflict Resolution Skills to Increase Dental Office Efficiency
- Proactive Problem-Solving and Conflict Resolution.

Education

Jason is a Registered Psychologist in Nova Scotia. He received his graduate degree in Psychology in 1976 and has kept abreast of developments in the field ever since. Jason is a frequent guest on radio and television. He has given workshops throughout North America as well as New Zealand, Australia and several European countries.

Personal

Jason continues to practice in Halifax while engaging in consultations that take him throughout North America. He is a curious, good humoured, energetic man who is open to the wonders of living fully. Interests include travel, photography, bicycling, kayaking and reading.
